PROFILE

I am passionate about my work. Because I love what I do, I have a steady source of motivation that drives me to do my best. In my last job, this passion led me to challenge myself daily and learn new skills that helped me to do better work. For example, I taught myself how to make websites and use Photoshop to improve the quality of our photos and graphics. I soon became the go-to person for any design & development needs.

EXPERIENCE

FRONT-END DEVELOPER

“Being a fresher, I think I am very flexible and adaptive to learning new things. I am sure I will be able to contribute something capable for the growth of the company. My last project in Operations has taught me how to be a team player, and work in unison.
